A Maker is someone who makes or modifies  
Art, Gadgets, Software, Crafts and MUCH MORE!

We at Midsouth Makers are looking for like-minded individuals who seek a common place to meet and discuss ideas, explore various technical endeavors and communicate our ideas to one another.

We have many goals we would like to see happen with Midsouth Makers and you can be in the center of it all. Become a part of this new and dynamic group of individuals who are setting the standard for geeks of all types in the Midsouth.
